INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 41559

You are hereby notified that the Indiana Utility Regulatory Commission has, on this date, caused the following entry to be made:

The presiding officers have reviewed the report presented by the Petitioner at the request of the Commission regarding the ability to serve residential areas adjacent to the CTA which are on septic systems, and, find that the report appears to be incomplete or inadequate. The Petitioner is directed to renew its efforts to contact the County Board of Health and determine the number and location of failing septic systems in the areas adjacent to the CTA.

Further, in the event Reynolds receives requests or inquiries from individual property owners, local authorities or any legitimate party to extend service to areas contiguous or adjacent to its current CTA, Reynolds shall submit a report within 30 days of the date of receiving such requests to the Commission, including but not limited to detailed information about the location of such areas with respect to the CTA and the existing facilities therein, the number of requests or inquiries, Reynolds' proposal about the facilities needed to extend such service to those areas. Such report should contain all necessary maps, engineering plans, cost estimates, associated expenses, proposed fees and the financing method of such project.

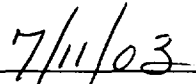

IT IS SO ORDERED, consistent with the foregoing finding.

Judith G. Ripley, Commissioner

Thomas Cobb, Administrative Law Judge
